Dear Mr. Chapman,

On behalf of the Mayor's Office for People with Disabilities (MOPD), I am responding to your Freedom of Information Act (FOIA) request, dated and received on January 25, 2019. I am seeking an extension of five (5) additional working days to respond to the request for the following reasons identified in 5 ILCS140/3 (c) of FOIA:

() the requested records are stored in whole or in part at other locations than the office having charge of the requested records;

() the request requires the collection of a substantial number of specified records;

() the request is couched in categorical terms and requires an extensive search for the records responsive to it;

☒ the requested records have not been located in the course of routine search and additional efforts are being made to locate them;

() the requested records require examination and evaluation by personnel having the necessary competence and discretion to determine if they are exempt from disclosure under Section 7 of the FOIA or should be revealed only with appropriate deletions;

☒ the request for records cannot be complied with by the public body within the time limits prescribed by 5 ILCS 140/3(d) without unduly burdening or interfering with the operations of the public body;

() there is need for consultation, which shall be conducted with all practicable speed, with another public body or among two or more components of a public body having a substantial interest in the determination or in the subject matter of the request.

Therefore, your FOIA request will be responded to by the close of business on March 22, 2018.

Sincerely,
